

Prescription Assistance Program

The Program: Hearts That Care Prescription Assistance Program provides \$30 a month credit at certain local pharmacies to help with prescription co-pay costs for individuals who meet the program criteria below, who apply and have been approved for the program.

1. The funds cannot be used for controlled drugs.
2. Any unused funds will not rollover to the next month.
3. The patient is responsible for any cost over \$30 per month.

WHO IS ELIGIBLE: (Month to month vouchers)

1. **Individuals cannot be a patient at Hearts That Care Volunteer Health Clinic medical clinic.** One exception: They can be a patient at Hearts That Care's dental clinic and have health-only insurance.
2. **Those with Incomes at or below 133% of Federal Poverty guidelines.** Tax return or letter of IRS required for documentation..
3. **Must have valid ID**
4. **Have a current medical insurance card or SoonerCare (Medicaid) member number.**

OTHERS ELIGIBLE (Single month voucher)

1. **Those living in Homeless shelters without access to financial documentation.** A local shelter can fill out and sign a Shelter Referral form. The shelter has to fill one out each month for the individual. The individual has to submit the letter to the Clinic.
2. **Those in a crisis situation:** Area mental health clinics, churches/other non-profits can refer individuals using a Mental Health & NonProfit Referral form.

APPLICATIONS

1. Individuals meeting the criteria above can call Hearts That Care clinic, 580-354-9007, and leave a message to set up an appointment to submit an application.
2. Homeless shelters or non-profits working with people in crisis can call the clinic at 580-354-9007 for a clinic representative to brief your staff and provide forms to help your clients.
